-
- Please send only one pencil box per student (with name on it), if they wish to bring one. We just don't have room for multiple boxes per child. No Trapper Keepers please.
 - Please avoid pencils with the plastic shrink wrap around them. Unfortunately, they are usually the cute looking pencils. They do not sharpen well in our electric sharpeners.
 - All students will be provided a blue home-school folder for the year.

Thank you so much!
